+ Tiffany so she has insight into this process.

Heather, Will you keep track of the equity that was sold so it can be provided to eTrade once they are up and running? I just want to make sure one person has all the final records of where the equity currently stands and what has been sold. (I went to law school to avoid these math issues. :)

Tania, Heather, I will draft the DWAC authorization letter after the town hall and copy you both on the circulation to AST.

Thank you!!

Heather,

Please see the attached spreadsheet summarizing today's trades.

Pay special attention to the formulas in the spreadsheet from columns N-Y. Feel free to adjust as necessary. We are going to wire the final dollar value referenced in column Y after you finish your calculations.

Total DWAC quantity for today's trades is 188,375.

Please cc siliconvalleygroup when returning the spreadsheet. Thank you!

Best,
